Monthly to dos:

- Welcome
- Treasurer's report (Andrew Breite) - balance \$4457(no new income or expenses)

This month:

- Ari Beedie, Creative Placemaking Program Coordinator, INRC - abeedie@inrc.org
 - INRC partnered with Harrison center to work with 30 neighborhood groups and connect them to artists and "create place". \$5000 grants available to further projects. 3 year partnership - Year 1 planning & training, Year 2 working out the plan, Year 3 is doing the plan. Harrison Center will also be providing technical assistance. Could be greenspace, a mural, or a festival. Examples in Indy - Chreece, Spark, etc.
- Will Pritchard, School Board Commissioner for District 1, IPS - twp2@hotmail.com
 - New member to the board and have only had a couple of meetings so far. When campaigning spent a lot of time talking to neighbors and want that to continue. A lot of big decisions to be made this year and want feedback (transportation, school closings, budget cuts). So he is putting together a group of people to meet quarterly and share experiences. Will's goals - change narrative around IPS (negativity in media, etc), what to do with Howe High School, achievement gap (hiring more black & brown teachers).
- Pando Aspen Grove of Community Heights (Pando) Permanent Supportive Housing previewed today
- School 88 Fundraiser:
 - Funds school programs
 - Replenish their uniform closet
