---

**CONDITIONS:**

- A right of way permit which includes excavation must be activated by the permit holder and construction may not begin until the permit is activated. To activate this permit or request inspection, please call 317-327-5525. The permit must be posted on site. The work must begin within three (3) working days of activation of permit. If, after activating the ROW permit, the work will not be started within the three (3) working days, the permit holder shall contact the inspector assigned to the township where the work will be located to deactivate the permit. ROW Regulations Sec. 17.03

- Applicant must have permit on work site to be valid. Applicant must use proper traffic control.

- TO REQUEST AN INSPECTION, CALL (317) 327-5525.

[HTTP://WWW.INDY.GOV/PERMITS](http://WWW.INDY.GOV/PERMITS)

- Adequate and appropriate erosion control measures shall be implemented and maintained through the duration of the permit activity to include restoration
